ATKOL VDL 100 Industrial Compressor Oil

ATKOL VDL 100 compressor oil (ISO VG 100 grade) is formulated for the lubrication and protection of industrial air compressors, particularly reciprocating models. With excellent oxidation and thermal stability, it ensures consistent and reliable performance under continuous operating conditions.

By forming an effective lubricating film, VDL 100 helps reduce friction and wear, controls the formation of deposits and sludge, and protects internal compressor components, thereby extending the equipment's service life.

Advantages:
-Suitable for industrial air compressors
-Good oxidation and thermal stability
-Reduction of wear and friction of components
-Control of sediment and sludge formation
-Suitable for continuous operation and industrial conditions.

Technical Specification of Compressors 100 Atkol Oil

ISO	VDL 100	
Kinematic viscosity @40°c	100	D-445
Kinematic viscosity @100°c	11	D-445
Viscosity Index	95	D-92
Flash point °c	245	D-92
Pour point °c	-18	D-97
Density @ 15°c, kg/m³	885	D-1298
