PRODUCT DATA SHEET

ATKOL 46 Plus Compressor Oil

ATKOL 46 Plus compressor oil, featuring an ISO VG 46 grade and formulated with Group II and III base oils, is designed for the lubrication and protection of industrial air compressors. Compared to conventional VDL compressor oils, this product offers superior oxidation and thermal stability, along with more effective control over sludge and deposit formation.

These characteristics help maintain stable oil performance during continuous operation, reduce component wear, and extend the service life of both the oil and the equipment.

Advantages:

-Group II and III base oils
-Superior oxidation and thermal stability
-Better control of sludge and deposit formation compared to VDL.
-Improved oil stability during continuous operation
-Reduction of wear and friction of components
-Helping to extend the service life of oil and equipment
-Suitable for industrial air compressors

## Technical Specification of **Compressors 46 PLUS Atkol** Oil

| ISO | VDL 46 | |
|---|---|---|
| Kinematic viscosity @40°c | 46 | D-445 |
| Viscosity Index | 115 | D-92 |
| Flash point °c | 205 | D-92 |
| Pour point °c | -30 | D-97 |
| Density @ 15°c, kg/m³ | 850 | D-1298 |
