PRODUCT DATA SHEET

EP 460 Industrial Gear EP ATKOL Oil

EP 460 industrial gear oil is an ISO VG 460 grade lubricant formulated with Extreme Pressure (EP) additives to lubricate and protect industrial gears and gearboxes operating under high-load and high-pressure conditions.

By forming a stable lubricating film, this oil helps reduce friction and wear, protects against corrosion and oxidation, and extends component service life; it is suitable for a wide range of industrial gearboxes and power transmission equipment.

Advantages:

* Protection against high pressure and loads
* Reduction of gear wear and friction
* Good resistance to oxidation and corrosion
* Stable performance under industrial operating conditions
*Suitable for industrial gearboxes and power transmission systems

Technical Specification of **Industrial Gear EP 460 Atkol** Oil

ISO	460	
Kinematic viscosity @40°c	460	D-445
Viscosity Index	145	D-2270
Flash point °c	245	D-92
Pour point °c	-12	D-97
Density @15°c, kg/m³	900	D-1298
Copper Corrosion @100°C	Class 1b	D-130
